STONE LEDGES™

Inspired by millions of years of rock strata formation, Stone Ledges highlights the beauty of a tumbled travertine. The random veining runs throughout the tile in varying colors that add dimension and variety to this classic design. It evokes a warm, spacious feeling that is one with nature and perfect for any room.

DSL05 GLINT

DSL03 CASTLE ROCK

IRON MOUNTAIN™

Evocative of robust granite excavated from deep within the bedrock, these earthy patterns will provide an enduring beauty to any room.

DCS02, BRONZE AGE

CARMEL STONE™

Warm tones accentuate these gently tumbling patterns of desert vistas and exotic, marbled temples.

**DCS00** SEA GLASS**DCS01** TRADEWINDS**DCS02** BRONZE AGE**ELEMENTAL™**

These adventurous and rugged designs reflect the vigorous energy of raw stone, like an unconquered mountain face, or the walls of an undiscovered lost city.

**DEL01** SUMMER BREEZE**DEL02** WATERFALL CASCADE**DEL03** GLOWING EMBER

TRAVERTINO™

Travertino blends old world and urban sensibilities to complement a variety of traditional and modern design styles. This versatile line comes in colors that pay homage to the finest mined limestones from quarries around the globe. The natural hues, captured with soft, authentic detailing, cover an earthen spectrum.

DTV01 MIST

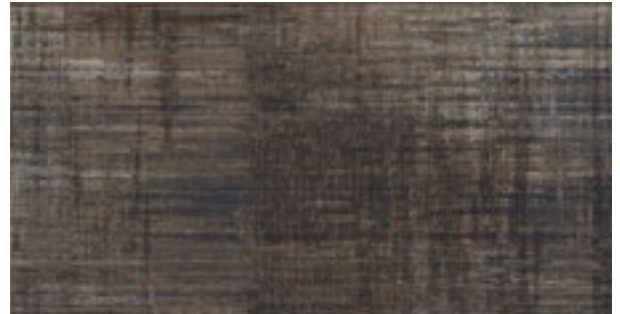

DTV03 BLUSH

DAX02, GOTHIC ARCH

ARCHITEXTURE™

Architexture celebrates juxtaposition; this woven-look design suggests texture and movement making it a dynamic flooring choice that will complement traditional and contemporary spaces alike.

CARRARA™

This classic marble has its origin in the small city of Carrara, Italy where quarrying and carving marble originated during the Roman Age. Through the centuries, Carrara marble has become the quality standard for sculptors and buildings.

**DCR01** WHITE

DVT04, CLIFFSIDE, DG107 GROUT

VISTA™

Vista, a stylish tile that evokes the fine texture of French linen. Let the Vista collection take you to exotic locales without leaving the comfort of your home. Streamlined and contemporary, Vista is the perfect reflection of your personal style.

ENERGY™

Energy reflects what its name suggests. This linear design with a hybrid wood/stone look has movement; the Energy collection makes a bold statement. It most strongly resembles a wood pattern but is indistinct enough to evoke the look of a striated stone. The chameleon quality of this design will complement traditional and contemporary spaces.

DFS01 SPARK

RIVERBED™

Imagine looking down at a riverbed through several feet of crystal clear, swiftly churning spring water and you will get a sense of the inspiration for this design. In three rich colors, this classic marble look is certain to make a bold statement in any room in your home.

RB10 SPLASH

RB10, SPLASH, DG02 GROUT

ELEMENTS™

People have always been fascinated by the relationship between the four elements of creation. Fire, Water, Air and Earth - bring these sensibilities home with Elements, a collection of authentic stone-look tiles with exceptional depth and beauty. Each color-way has been expertly designed to show a range of unparalleled clarity.
